### **Market Segmentation**

The entire starch-based plastic market has been sub-categorized into type and application. The report provides an analysis of these subsets with respect to the geographical segmentation. This research study will keep marketer informed and helps to identify the target demographics for a product or service.

#### **By Type**

- Blow Molding

- Extrusion
- Injection Molding
- Others

#### **By Application**

- Textiles
- Agriculture & Horticulture
- Consumer Goods
- Food & Beverage
- Electrical & Electronics
- Others

#### **Regional Analysis**

This section covers regional segmentation which accentuates on current and future demand for starch-based plastic market across North America, Europe, Asia-Pacific, Latin America, and Middle East & Africa. Further, the report focuses on demand for individual application segment across all the prominent regions.
